sustice f the Peacs. AUDITOR'S CERTIFICATE - From William D. Morgan, State Additor, his been received in due form, legalty authorizing the undersigned as agent to transact business until 31st July, 1865, and is on file with the Clerk of the Common Pleas Court.

All that have property to insure, will please inspect and scrutinize the preceding reliable expose of this old and long tried Corpora. H. Davis, all claims will be settled and debts to run on the survey of a County road, grantion. For usefulness, security and promptitude, it has ever stood first in its line of transactions-and for ability and means will attract the attention of the insuring public to confirm their confidence in it. The statement is so prepared any one can contrast its condition with local and State Insurance offices if so disposed. Its investments are of that solid character as not to be materially ofsected by the late depression in that class of assetts,

The increase of its capital stock to \$500. 600, is a bona fide cash addition to the strength of the corporation, and a permanent investment for the pledge and security of its policies The necessity and real benefits of insurance ere well exemplified in the fact that the company has paid cash losses during the past year, at its Western Branch office alone, in Cin-cinnati, to the sum of \$246,509 08, most of which has been paid considerably in advance of the time legally due, and it has bad no suit or hitigation. If all or any of these facts are inducements to the continuance of its valuable patronage, or its increase, they will find its agents ever ready to attend to be demands of business as heretofore, with promptitude, at as favorable rates and terms, as security will permit. A. J. WRIGHT, Agent.

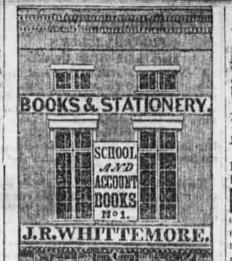

JOHN P. PLYLEY is the authorized Agent of the Company in Vinton co., and all applications for insurance in that company, are to be made to him. The rates are as low as consistent with the risk, and no sound company will accept any other,
